

The bull

Prices from £200

The Rodeo Bull's that you hire from us are the latest and best models on the market and our expert staff will deliver, set it up, and operate it for you, we are all very experienced and know how to keep people entertained with these machines ensuring that your event goes as you would like it to,

The bulls themselves come with red flashing eyes and real cow hide and a leather saddle, and you can have a choice of different coloured and styled inflatable arena's too, also there are timers on the controller so you can see who stays on the longest,

The hide on our bulls are also in different colours so you can request the particular one you wish to hire, We can also provide an inflatable marquee to cover the whole set up should you wish to stage things outdoors and generators are available if required
